Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references at the end of each chapters and index.
Sommario/riassunto	LGBTQ Issues in Education: Advancing a Research Agenda examines the current state of the knowledge on LGBTQ issues in education and addresses future research directions. The editor and authors draw on existing literature, theories, and data as they synthesize key areas of research. Readers studying LGBTQ issues or working on adjacent topics will find the book to be an invaluable tool as it sets forth major findings and recommendations for additional research. Equally important, the book brings to light the importance of investing in research and data on a topic of critical educational and social significance.
