

1. Record Nr.	UNINA9910792975703321
Titolo	Utilization of accelerator based real time methods in investigation of materials with high technological importance : proceedings of an IAEA Technical Meeting // International Atomic Energy Agency
Pubbl/distr/stampa	Vienna, [Austria] : , : International Atomic Energy Agency, , 2015 ©2015
ISBN	92-0-119719-5
Descrizione fisica	1 online resource (119 pages) : illustrations
Collana	IAEA Radiation Technology Reports ; ; Number 4
Disciplina	539.735
Soggetti	Synchrotron radiation Electron accelerators Particle accelerators
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
