"When

the Beginning of Spring arrives, Little Prince starts his trip of 24 Solar Terms. He experiences many magical climate changes and meets lots of lovely and friendly animals in the nature. Together, they discover the charm of 24 Solar Terms which cover the four seasons of the year ...24

Solar Terms Fairy Tale is a bilingual picture book full of imaginations.

The poetic texts of this picture book are easy to understand for all the people. It shows the charm of Chinese traditional cultures through 24

beautiful panoramic illustrations full of western and eastern drawing-

style. This bilingual picture book should be appreciated and loved by

the children and the adults from all over the world. The 24 panoramic

illustrations within this picture book constitute a fairy tale about 24

Solar Terms. The poetic texts on each panoramic illustration explain

the characteristics of each Solar Term from the perspective of the little

protagonist. We are glad to invite the very popular English-language

little presenter Emma from Wechat Public "Xiaohua Parent-Child

English"to register

this book into English audio. French illustrator Madam Berenice

Zandonai registered this book into French audio. So you could not only

read this picture book, but also listen to it in original English and

French languages. What you only need to do is to scan the QR Code

printed on this picture book. Madam Berenice Zandonai, French fashion

designer and professional illustrator for the children , appreciates very

much this picture book about Chinese culture . She translated this

picture book into English and French languages and managed to make

it published to the public. She hopes that the world could discover and

feel the charm of excellent Chinese cultures by reading this magical

and imaginative bilingual picture book.
