Sommario/riassunto

Corporal Punishment of Children - Comparative Legal and Social Developments towards Prohibition and Beyond provides insights into the views and experiences of prominent academics, and political, religious, and human rights activists from Australia, Canada, Germany, Ireland, Israel, New Zealand, Norway, South Africa, Sweden, the UK, and the US. Country-specific and thematic insights in relation to children's ongoing experience of corporal punishment are detailed and discussed, and key questions are raised and considered with a view to advancing progress towards societies in which children's human rights to dignity and optimal development are more fully recognised.
