Sommario/riassunto

This unique book is divided into two sections. The first section highlights specific international youth activists, their biographies, work, and accomplishments. The second section is a collection of work by youth, who address their own activism, goals, identities, and needs. Commentaries by teachers, community workers, and facilitators compliment the entries, creating a unique, intergenerational and multi-faceted volume. The book will serve to fill a gap in teacher education, highlighting and listening to youth, themselves, who, the editor, contends, should be intimately involved in their own education and futures. A new model for teacher education, this book allows teachers to understand that youth must have, and demand, a voice in the determination of their lives and futures. Previous work with youth tends to "deal with them" as a problem to be solved, a group to be managed. This book insists that youth are viable citizens and create a voice which is heard internationally. *Activists under 30* is the first book of its kind, to be addressed to youth, teachers, parents, and activists. It reminds us that youth are our most valuable resource, and insists we incorporate them, invite them, and listen to them.

| | Sommario/riassunto | The author of the critically acclaimed Memory of Water returns with this literary ecological tale in the vein of Ursula K. Le Guin and Sheri S. Tepper, in which an innocent young woman becomes entangled in a web of ancient secrets and deadly lies that lie at the dark center of her prosperous island world.Eliana is a model citizen of the island, a weaver |

in the prestigious House of Webs. She also harbors a dangerous secret--she can dream, an ability forbidden by the island's elusive council of elders. No one talks about the dreamers, the undesirables ostracized from society. But the web of protection Eliana has woven around herself begins to unravel when a young girl is found lying unconscious in a pool of blood on the stones outside the house. Robbed of speech by her attackers, the only clue to her identity is one word tattooed in invisible ink across her palm: Eliana. Why does this mysterious girl bear her name? What links her to the weaver--and could she hold Eliana's fate in her hand? As Eliana finds herself growing closer to this injured girl she is bound to in ways she doesn't understand, the enchanting lies of the island begin to crumble, revealing a deep and ancient corruption. Joining a band of brave rebels determined to expose the island's dark secrets, Eliana becomes a target of ruthless forces determined to destroy her. To save herself and those she loves, she must call on the power within her she thought was her greatest weakness: her dreams.
