ISBN	3-8325-8997-X
Descrizione fisica	1 online resource (45 pages)
Disciplina	004.019
Soggetti	Ambient intelligence
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	PublicationDate: 20140410
Sommario/riassunto	Long description: In August 2013, researchers from Germany, Chile, and China came together in Santiago de Chile to discuss topics like collaborative systems, human computer interaction, context awareness and ubiquitous computing, cultural heritage and virtual museums, energy management systems, and reliable computing and uncertainty. This book presents their contributions to the SADUE 13 workshop on ambient intelligence in metropolitan regions, a cutting-edge topic in computer science today.
