Sommario/riassunto	Eliminate sexual harassment, unconscious bias, ethical lapses and other HR nightmares! Companies spend millions on legal compliance training and initiatives to eliminate workplace drama and the resulting low morale and lawsuits, but don't always get the results they want. Most organizations understand that simply checking legal compliance boxes around sexual harassment, bias, etc. isn't enough, but are at a loss on how to implement solutions, especially in today's post-#MeToo world. Patti Perez is an attorney, HR expert, trainer, and former state regulator, who has conducted over 1,200 workplace investigations. In this unique book, she explains the secret to avoiding all forms of drama, legal exposure, and low morale: A healthy workplace culture.

Patti combines the lessons learned from 25 years of professional experience with robust data from behavioral science research to debunk common myths, including the belief that a focus on legal compliance leads to a healthy workplace culture.
