long game / Kate Carroll de Gutes -- Self-made men / Leland Cheuk
-- The nut doesn't fall far from the fucking nut tree / S. Bear Bergman
-- The feeding gene / Karen Grigsby Bates.

Sommario/riassunto

"Apple, Tree features a slate of compelling, original essays that eloquently consider a trait they've each inherited from a parent, exploring how it affects the lives they lead today, how it shifts their relationship, and how it changes their sense of self." --
