Athens as Hamlet: The Irresolute Empire / Strauss, Barry -- Contributors -- Index

Sommario/riassunto

An exploration of the ways in which ancient theories of empire can inform our understanding of present-day international relations, Enduring Empire engages in a serious discussion of empire as it relates to American foreign policy and global politics. The imperial power dynamics of ancient Athens and Rome provided fertile ground for the deliberations of many classical thinkers who wrote on the nature of empire: contemplating political sovereignty, autonomy, and citizenship as well as war, peace, and civilization in a world where political boundaries were strained and contested. The contributors to this collection prompt similar questions with their essays and promote a serious contemporary consideration of empire in light of the predominance of the United States and of the doctrine of liberal democracy. Featuring essays from some of the leading thinkers in the fields of political science, philosophy, history, and classics, Enduring Empire illustrates how lessons gleaned from the Athenian and Roman empires can help us to understand the imperial trajectory of global politics today.

Sommario/riassunto

"Dans la nuit du 30 avril 1562, un vent de panique souffle sur la ville de Lyon: en l'espace de quelques heures, les protestants ont réussi à se rendre maîtres de la cité. Cet événement, survenant dans le contexte des guerres de religion qui déchirent alors le royaume de France, provoque dès lors une déchirure confessionnelle profonde entre les Lyonnais protestants et catholiques, ces derniers quittant massivement la ville. Si le retour de la paix en 1563 et les politiques royales de pacification déployées à ce moment contraignent la population urbaine à mettre ses dissensions confessionnelles de côté pour vivre à nouveau ensemble, de tout nouveaux défis se posent aux élites municipales. Ces dernières, regroupant pour la première fois des catholiques et des protestants, devront non seulement apprendre à gouverner une ville divisée, mais tenter de surmonter leurs propres querelles pour le mieux-être de la population lyonnaise."--Back cover.
