Descrizione fisica	1 online resource (126 pages) : illustrations
Disciplina	340.023/73
Soggetti	Practice of law - United States Law - Vocational guidance - United States Lawyers - United States
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	While emphasizing that lawyers fulfill a vital but often misunderstood public function in society, The American Legal Profession: The Myths and Realities of Practicing Law dispels some of the common misconceptions about the legal profession to show that the reality of being a lawyer is much different from what many students believe it to be. Many students know little about what law school is like or how it differs from undergraduate study, and this book corrects common myths about graduating law school and life after passing the bar. This brief primer is a nuts-and-bolts analysis of what it is really like to go into the legal profession, from start to finish, giving students considering a career in law a realistic overview of their potential legal careers.
