

1. Record Nr.	UNINA9910794115503321
Autore	Roussopoulos Dimitrios I.
Titolo	Political ecology : system change not climate change // Dimitri Roussopoulos
Pubbl/distr/stampa	Montreal : , : Black Rose Books, , [2018] ©2018
ISBN	1-55164-655-2
Descrizione fisica	1 online resource (202 pages)
Disciplina	363.70525
Soggetti	Environmental protection - Citizen participation Environmental policy
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di contenuto	Intro -- PREFACE 2019 -- PREFACE -- SECTION ONE: The State Management of the Environment -- SECTION TWO: Citizens' Responses to the Plight of the Earth -- SECTION THREE: Political Ecology and Social Ecology -- SECTION FOUR: A Road Map Beyond Mere Environmentalism -- SECTION FIVE: The New Politics of Social Ecology -- EPILOGUE 1993 -- EPILOGUE 2015 -- POSTSCRIPT: After Paris COP21- What Next? System Change not Climate Change -- Notes - Preface 2019 -- Notes -- Bibliography.
Sommario/riassunto	"In this new and greatly expanded edition of his 1991 classic Political Ecology, Dimitri Roussopoulos delves into the history of environmentalism to explain the failure of the State's management of the ecological crisis. He explores civil society's various past responses and the prospects for channeling environmentalist aspirations into political alternatives, emphasizing the ideas of social ecology and the central role of democratic neighborhoods and cities in developing alternatives. Ecologists, Roussopoulos argues, aim for more than simply protecting the environment- they call for new communities, new lifestyles, and a new way of doing politics."--
