Sommario/riassunto	""Quintessentially British, Genesis spearheaded progressive rock in the 1970s, evolving into a chart-topping success through the end of the millennium. Influencing rock groups such as Radiohead, Phish, and Pink Floyd, the experimental format of Genesis' songs provided new avenues for music to explore. From the 23-minute masterpiece "Supper's Ready," via the sublime beauty of "Ripples" and the bold experimentation of "Mama", to hits such as "Invisible Touch" and "I Can't Dance," their material was inventive and unique. This book is the chronological history of the band, with critical analysis and key details of each of the 204 songs Genesis recorded and released."-Provided by publisher"--
