Sommario/riassunto	"In Connecting Through Leadership: The Promise of Precise and Effective Communication in Schools, author Jasmine K. Kullar states that because they communicate nonstop from the moment the school day begins until it ends, educational leaders must know how to communicate effectively. She demonstrates ways administrators can communicate verbally and nonverbally with many groups in the school community, from teachers to students to parents. Whether the message is positive or negative, simple or complex, or actionable or informational, educational leaders' responsibility is to connect in a way that inspires and motivates others"--
