Sommario/riassunto	'He was a boy, she was a girl. Can I make it any more binary?' When friends die and pronouns change, what's left of the memories that don't fit anymore? Brought to life with storytelling, an original pop music score, and way too many America's Next Top Model references, Since U Been Gone is a moving and powerful autobiographical account about childhood co-stars, teenage rebellion, growing up queer in the mid-noughties, and finding yourself while losing a friend.
