

1. Record Nr.	UNINA9910794313203321
Autore	Troussas Christos
Titolo	Innovative trends in personalized software engineering and information systems : the case of intelligent and adaptive e-learning systems / / by Christos Troussas and Cleo Sgouropoulou
Pubbl/distr/stampa	Amsterdam : , : IOS Press, , [2020] ©2020
ISBN	1-64368-097-8
Descrizione fisica	1 online resource (106 pages)
Collana	Frontiers in artificial intelligence and applications ; ; Volume 324
Disciplina	371.35
Soggetti	Distance education
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	Intro -- Title Page -- Foreword -- Contents -- Chapter 1: Introduction -- Chapter 2: Intelligent Knowledge-Based Approaches for Adaptive and Personalized Learning Technology Systems -- Chapter 3: Comparison of Techniques and Good Practices for Adaptive and Personalized Learning Technology Systems -- Chapter 4: Evaluation Methods of Intelligent Knowledge-Based Learning Technology Systems -- Chapter 5: Conclusions -- References.
