Sommario/riassunto

"The 15 essays in this book began as papers presented at the Seventh Four Societies Conference hosted at Waseda University, Tokyo, in June 2018, by the Japanese Society of International Law (JSIL). The 'Four Societies' conferences are a collaborative initiative of the American Society of International Law (ASIL), the Australian New Zealand Society of International Law (ANZSIL), the Canadian Council on International Law (CCIL) and JSIL. The biannual conferences, which began in 2006, provide an opportunity for emerging scholars to foster a collaborative network around a common theme"--
