

1. Record Nr.	UNINA9910452265203321
Autore	Marcus Clare Cooper
Titolo	Therapeutic landscapes : an evidence-based approach to designing healing gardens and restorative outdoor spaces // Clare Cooper Marcus, Naomi Sachs
Pubbl/distr/stampa	Hoboken, New Jersey : , : John Wiley & Sons, , [2014]
ISBN	1-118-42110-8 1-118-41940-5
Descrizione fisica	1 online resource (338 p.)
Altri autori (Persone)	SachsNaomi <1968->
Disciplina	614.4/2
Soggetti	Medical geography Landscapes - Therapeutic use Landscape architecture - Therapeutic use Evidence-based design Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Includes index.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Therapeutic Landscapes: An Evidence-Based Approach to Designing Healing Gardens and Restorative Outdoor Spaces; Copyright; Contents; Foreword; Acknowledgments; Chapter 1: Introduction; References; Chapter 2: History of Hospital Outdoor Space; References; Chapter 3: Theory, Research, and Design Implications; The View through a Window; The Importance of Research; Research informs design; Research informs policy; Evidence-Based Design; Research on Benefits of Nature Exposure; Virtual nature, real nature; Scent, "forest bathing," and "green exercise"; Nature and the city Theoretical and Philosophical UnderpinningsBiophilia; Prospect-refuge theory; Stress: The "fight or flight" response; Stress reduction theory; Attention restoration theory; Other Pertinent Theories for Evidence-Based Healthcare Design; Emotional congruence theory; The aesthetic placebo; Nature and pleasure; Next Steps; References; Chapter 4: Types and Locations of Therapeutic Landscapes in Healthcare; Extensive Landscaped Grounds; Advantages; Disadvantages; Borrowed Landscape; Advantages; Disadvantages; Nature and Fitness Trails;

Advantages; Disadvantages; Landscaped Setback; Advantages
Disadvantages Front Porch; Advantages; Disadvantages; Entry Garden;
Advantages; Disadvantages; Backyard Garden; Advantages;
Disadvantages; A "Tucked Away" Garden; Advantages; Disadvantages;
Courtyard; Advantages; Disadvantages; The Hole-in-a-Donut Garden;
Advantages; Disadvantages; Plaza; Advantages; Disadvantages; Roof
Garden; Advantages; Disadvantages; Roof Terrace; Advantages;
Disadvantages; A Peripheral Garden; Advantages; Disadvantages;
Atrium Garden; Advantages; Disadvantages; Viewing Garden;
Advantages; Disadvantages; Chapter 5: The Participatory Design
Process; Legacy Health Overview
Purpose of Legacy Health therapeutic gardens Design process;
Organizing Staff to Conceptualize Needs; Design team meeting no. 1;
Design team meeting no. 2; Design team meeting no. 3; Benefits of the
Design Team Process; So, How Do We Start?; Key points for designers;
Key points for the healthcare team; References; Chapter 6: General
Design Guidelines for Healthcare Facilities; Overarching Design
Considerations; Safety, security, and privacy; Accessibility-ADA and
Universal Design; Physical and emotional comfort; Positive distraction;
Engagement with nature (biophilia)
Maintenance and aesthetics Sustainability; Programming and Site
Planning Considerations; Programming and site planning guidelines;
Specific Physical Design Guidelines for All Therapeutic Gardens; General
considerations; Visual access; Physical access; Pathways; Seating;
Utilities; Lighting; Water features; Other garden elements; References;
Chapter 7: Children's Hospital Gardens; The Challenge of Multiple User
Groups; Design Guidelines; General guidelines; Pathways; Seating;
Planting; Utilities; Case Studies; References; Chapter 8: Gardens for
Cancer Patients; References
Chapter 9: Gardens for the Frail Elderly

Sommario/riassunto

This comprehensive and authoritative guide offers an evidence-based overview of healing gardens and therapeutic landscapes from planning to post-occupancy evaluation. It provides general guidelines for designers and other stakeholders in a variety of projects, as well as patient-specific guidelines covering twelve categories ranging from burn patients, psychiatric patients, to hospice and Alzheimer's patients, among others. Sections on participatory design and funding offer valuable guidance to the entire team, not just designers, while a planting and maintenance chapter gives critical info

2. Record Nr.	UNINA9910163097403321
Autore	Stuke Jens-Hermann
Titolo	Conopidae (Diptera) // by Jens-Hermann Stuke
Pubbl/distr/stampa	Leiden ; ; Boston : , : Brill, , [2017]
ISBN	90-04-27184-8
Descrizione fisica	1 online resource (392 pages)
Collana	World catalogue of insects ; ; v. 15
Disciplina	595.77
Soggetti	Thickheaded flies Diptera Classification Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references (p. 249-339) and index.
Nota di contenuto	Preliminary Material -- Catalogue -- References -- Index.
Sommario/riassunto	The World Catalogue of the Conopidae offers the first complete list of this Diptera family worldwide since 1919. 808 recent and fossil species, together with their synonyms, belonging to 57 genera are listed. All original descriptions have been verified by the author. Type material and its depository is described for every species, the published distribution for each species is documented at the country level, and a complete list of references is provided for every record. Published information concerning hosts, possible hosts and egg carriers is compiled, with some 309 host species being reported for 73 species of Conopidae. With more than 1450 literature citations, this catalogue presents by far the most complete taxonomic assessment of this family produced to date.

3. Record Nr.	UNINA9910794501903321
Titolo	Handbook of clinical anesthesia procedures of the Massachusetts General Hospital [[electronic resource] /] / senior editor, Richard M. Pino ; associate editors, Edward A. Bittner ... [et al.]
Pubbl/distr/stampa	Philadelphia, : Wolters Kluwer, 2022
ISBN	1-9751-5442-8 1-9751-5443-6
Edizione	[10th ed.]
Descrizione fisica	1 online resource (1051 pages)
Altri autori (Persone)	PinoRichard M BittnerEdward A. <1967->
Disciplina	617.9/609
Soggetti	Anesthesia - methods Anesthetics - administration & dosage Perioperative Care - methods Anesthesia Operating room nursing Handbook
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	"Written by residents and attendings at the world-renowned Massachusetts General Hospital Department of Anesthesia, Clinical Anesthesia Procedures of the Massachusetts General Hospital, Tenth Edition, offers current, comprehensive, and concise guidelines on all facets of anesthesia, perioperative care, critical care, and pain management. Emphasizing the clinical fundamentals necessary for patient safety and optimal outcomes, this trusted guide provides fast answers to the most frequent problems encountered in daily anesthetic practice, making it an invaluable resource for practicing anesthesiologists and residents as well as nurse anesthetist trainees and practitioners. Focuses on the clinical fundamentals needed for the safe delivery of anesthesia and perioperative care in day-to-day practice. Uses an easy-to-scan outline format that progresses

intuitively from preoperative evaluation through administration of anesthesia to perioperative issues for each subject. Updated and reorganized table of contents in addition to chapters on evaluating the patient, anesthesia for pediatric surgery and care of the neonate, non-operating room anesthesia and pain management. Includes new chapters on the basics of echocardiography, anesthesia for orthopedic surgery, anesthesia for transplant surgery and vascular access. Features appendices covering drugs and intravenous antibiotics"--
