

1. Record Nr.	UNINA9910794999403321
Titolo	Severe accident mitigation through improvements in filtered containment vent systems and containment cooling strategies for water cooled reactors : proceedings of a Technical Meeting on Severe Accident Mitigation through Improvements in Filtered Containment Venting for Water Cooled Reactors Held in Vienna, Austria, 31 August-3 September 2015 // International Atomic Energy Agency
Pubbl/distr/stampa	Vienna, Austria : , : International Atomic Energy Agency, , 2017 ©2017
ISBN	92-0-139119-6
Descrizione fisica	1 online resource (66 pages)
Collana	IAEA-TECDOC ; ; 1812
Disciplina	621.4835
Soggetti	Nuclear power plants - Safety measures
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
