| Sommario/riassunto | Esta colección, se propone ofrecer un conocimiento serio y completo de los pueblos indios de América, en vista del 5º Centenario de la Conquista del Continente. El enfoque de estas obras quiere ir más allá de todo concepto de "descubrimiento" o de "encuentro de dos mundos", para reivindicar los valores de culturas que han sido marginadas, pero siguen vigentes y en busca de un espacio de libertad y autoexpresión. |
