Sommario/riassunto	A central theme of this book is the gradual process of separation between parents and toddlers and the growth of autonomy in them all. Jenny Stoker has written with clarity, sympathy and warmth about the multiple problems children face in their toddler years and she has addressed the parents with immense empathy. Stoker manages to convey complex concepts and arguments in a lucid and simple style that all readers will find most helpful. Part of the new Your and Your Child Series.

Sommario/riassunto	"Politics in the Middle East is now seen and the image is playing a central part in processes of political struggle. This is the first book in the literature to engage directly with these changing ways of communicating politics in the region {u2013} and particularly with the politics of the image, its power as a political tool."--From the publisher's website.
