Cooper -- Confessing Christ in 'Christian Europe' : the death of the church as a theological response to populism / Joseph Sverker -- The other in the ecclesial self : the church and the populist challenge / Sturla J. Stalsett -- The orthodox 'unorthodox' : from populism to pluralism / Ryszard Bobrowicz and Johanna Gustafsson Lundberg -- Conclusion : an invitation to comparative political theology / Joshua Ralston.

Sommario/riassunto

Populism is a buzzword. This compilation explores the significance of religion for the controversies stirred up by populist politics in European and American contexts in order to understand what lies behind the buzz. Engaging Jewish, Christian, and Islamic political thought and theology, contributions by more than twenty established and emerging scholars explore right-wing and left-wing protests, offering critical interpretations and creative interventions for a polarized public square. Both methodologically and thematically, the compilation moves beyond essentialist definitions of religion, encouraging a comparative approach to political theology today.
