#### Sommario/riassunto

"In Christ, the Way, Benjamin T. Quinn recovers and evaluates Augustine's rich writing on wisdom. For Augustine, sapientia is the incarnate Christ, who by the Spirit enlightens all God's people to see clearly, live virtuously, and participate in God--thereby restoring his people to his image. Quinn then brings Augustine into dialogue with contemporary wisdom scholarship, displaying where his biblically rooted, Christocentric, faith-first approach holds rich insights for scholars and Christians today"--
