Soggetti	Traditional ecological knowledge
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	There is growing interest in documenting the wealth of traditional knowledge (TK) that has been developed by indigenous peoples and local communities around the world. But documenting TK can raise important issues, especially as regards intellectual property. This Toolkit presents a range of easy-to-use checklists and other resources to help ensure that anyone considering a documentation project can address those issues effectively.
