C14 dates of Megiddo and Tel Rehov -- Chapter V. The consolidation of the State. The Iron II B Period (9th-8th cent.) -- Chapter VI. Iron IIC: Judah in the 7th Century.
Sommario/riassunto	"William G. Dever offers a welcome perspective on ancient Israel and Judah that prioritizes the archaeological remains to render history as it was--not as the biblical writers argue it should have been. Drawing from the most recent archaeological data as interpreted from a nontheological point of view and supplementing that data with biblical material only when it converges with the archaeological record, Dever analyzes all the evidence at hand to provide a new history of ancient

Israel and Judah that is accessible to all interested readers"--
