Nota di contenuto	New perspectives on Spanish socio-historical linguistics / Bridget Drinka and Whitney Chappell -- Socio-historical features in isolation and contact. Complexification of the early modern Spanish address system : a role for koineization? / Donald N. Tuten -- Personal vs. personalized infinitives in Ibero-Romance : historical origins and contact-induced change / Lamar A. Graham -- Language variation and change through an experimental lens : contextual modulation in the use of the Progressive in three Spanish dialects / Martin Fuchs and Maria M. Pinango -- Adult language and dialect learning as simultaneous environmental triggers for language change in Spanish / Israel Sanz-Sanchez and Fernando Tejedo-Herrero -- Socio-historical varieties in isolation and contact. Searching for the sociolinguistic history of Afro-Panamanian Congo speech / John M. Lipski -- A socio-historical perspective on the origin and evolution of two Afro-Andean vernaculars / Sandro Sessarego -- Vamos en Palma 'we are going to Palma' : on the persistence (and demise) of a contact feature in the Spanish of Majorca / Andres Enrique-Arias -- Anthroponymic perseverance of Spanish vestigial <x> / Maryann Parada.
Sommario/riassunto	"This interdisciplinary volume explores the unique role of the sociohistorical factors of isolation and contact in motivating change in

the varieties of Spanish worldwide. Recognizing the inherent intersectionality of social and historical factors, the book's eight chapters investigate phenomena ranging from forms of address and personal(ized) infinitives to clitics and sibilant systems, extending from Majorca to Mexico, from Panamanian Congo speech to Afro-Andean vernaculars. The volume is particularly recommended for scholars interested in historical linguistics, sociolinguistics, history, sociology, and anthropology in the Spanish-speaking world. Additionally, it will serve as an indispensable guide to students, both at the undergraduate and graduate level, investigating sociohistorical advances in Spanish"--
