Sommario/riassunto

Become a millionaire by learning from millionaires An Eventual Millionaire is someone who knows they will be a millionaire, eventually. But they want to do it on their own terms-with an enjoyable life and an enjoyable business. Eventual Millionaires are everywhere, from the airplane pilot looking to start his own business for more freedom and money to a student looking to start her life on the right foot to a successful business owner needing inspiration and wondering how to take her business to the next level. There are many ways to become a millionaire, but research has

Sommario/riassunto

"This collection provides a broad analysis of social, political, economic, and security issues in contemporary Central Asia. In particular, the contributors highlight the differences and similarities among the region's states in how they have consolidated statehood since the collapse of the Soviet Union"--
