Sommario/riassunto	Strategies for addressing bullying-ready when you need them. Before bullying surfaces in your school, you need to be ready. This book is organized so you can find the answers you need to make meaningful changes in the way you prevent and respond to bullying. The authors know the challenges educators face. Here they've distilled nearly 15 years of research into bite-sized chapters, with strategies and real-world examples to put ideas into action. You ll learn: . Prevention strategies to put in place now . How to distinguish bullying from other hurtful behaviors . The connection between cyberbullying and in-person bullying . Responses that work-and ones that don't Bullying Today provides clarity on controversial issues and the complex relationships among your students. It will encourage and empower you

to be the solution to bullying at your school and equip you with tools to promote a healthy and vibrant school culture. "A common-sense practical approach by authors who have the knowledge and passion to help all who work with students." Deb Bible, Educational Consultant Hanover Park, IL "This is a handy guide to lead schools in meaningful discussions about bullying. It offers best practices that will help educators create a positive bully-free atmosphere in the school environment and beyond." Avis Canty, Instructional Technology Facilitator Greenville County School District, Greenville, SC.
