

1. Record Nr.	UNINA9910795520903321
Titolo	Art and resistance in Germany / / Edited by Deborah Ascher Barnstone and Elizabeth Otto
Pubbl/distr/stampa	London : , : Bloomsbury Publishing, , 2019
ISBN	1-350-23007-3 1-5013-4489-7 1-5013-4488-9 1-5013-4487-0
Descrizione fisica	1 online resource (289 pages)
Collana	Visual cultures and German contexts
Disciplina	700.943
Soggetti	Art - Political aspects - Germany Dissident art - Germany
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references index.
Nota di contenuto	Part I. Art that alters worldviews -- Part II. Art that inspires action -- Part III. Art that critiques symbols -- Part IV. Art that is created in acts of resistance.
Sommario/riassunto	"In light of the recent rise of right-wing populism in numerous political contexts and in the face of resurgent nationalism, racism, misogyny, homophobia, and demagoguery, this book investigates how historical and contemporary cultural producers have sought to resist, confront, confound, mock, or call out situations of political oppression in Germany, a country which has seen a dramatic range of political extremes during the past century. While the current turn to nationalist populism is global, it is perhaps most disturbing in Germany, given its history with its stormy first democracy in the interwar Weimar Republic; its infamous National Socialist (Nazi) period of the 1930s and 1940s; and its split Cold-War existence, with Marxist-Leninist Totalitarianism in the German Democratic Republic and the Federal Republic of Germany's barely-hidden ties to the Nazi past. Equally important, Germans have long considered art and culture critical to constructions of national identity, which meant that they were frequently implicated in political action. This book therefore examines a range of work by

artists from the early twentieth century to the present, work created in an array of contexts and media that demonstrates a wide range of possible resistance."--Bloomsbury Publishing.
