Descrizione fisica	1 online resource (150 p.)
Soggetti	Taxation - Study and teaching Taxation Taxpayer compliance
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Sommario/riassunto	Widespread voluntary tax compliance plays a significant role in countries' efforts to raise the revenues necessary to achieve Sustainable Development Goals. As part of this process, governments are increasingly reaching out to taxpayers - current and future - to teach, communicate and assist them in order to foster a "culture of compliance" based on rights and responsibilities, in which citizens see paying taxes as an integral aspect of their relationship with their government.
