Disciplina	985.14
Soggetti	Indians of South America - Peru - Lambayeque (Department) - Antiquities
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	"Alluvium and Empire examines the archaeology of Indigenous communities and landscapes that were subject to Spanish colonial forced resettlement during the sixteenth century. Written at the intersections of history and archaeology, the book critiques previous approaches to the study of empire and models a genealogical approach that attends to the open-ended-and often unpredictable-ways in which empires take shape."--
