| Sommario/riassunto | Steve Adelman's humorous and engaging memoir reflects on his years as the director and owner of some of the world's most popular nightclubs, including the Roxy, Limelight, Tunnel, and Palladium in the |

heyday of clubs in New York City during the 1980s and 1990s, followed by Avalon (Boston, Hollywood, NYC, and Singapore locations), and the New Daisy Theatre in Memphis. Nocturnal Admissions is a timely, unconventional look at one of pop culture's most outwardly glamorous, yet misunderstood industries, bringing the reader backstage into the world of nightlife at its highest level.
