Sommario/riassunto

"Curbside Consultation in Pediatric Infectious Disease: 49 Clinical Questions provides quick answers to the tricky questions most commonly posed during a "curbside consultation" between pediatricians. Dr. Angela L. Myers has designed this unique reference which offers expert advice, preferences, and opinions on tough clinical questions commonly associated with pediatric infectious disease. The unique Q&A format provides quick access to current information related to pediatric infectious disease with the simplicity of a conversation between two colleagues. Numerous images, diagrams, and references allow readers to browse large amounts of information in an expedited fashion. "--
