V. Mrs Utam Singh : race, gender and deviance in a Kenyan murder case, 1949-51 / Stacey Hynd.

Sommario/riassunto

Across their empire, the British spoke ceaselessly of deviants of undesirables, ne'er do wells, petit-tyrants and rogues. With obvious literary appeal, these soon became stock figures. This is the first study to take deviance seriously, bringing together histories that reveal the complexity of a phenomenon that remains only dimly understood.
