Sommario/riassunto	On Emerging from Hyper-Nation represents Ronald W. Sousa's attempt to answer the question, "Why do I smile on reading one of Saramago's 'historical' novels?" Why that reaction of emotional release? To answer the "smile question" the book engages in a critical mode that could be described as "discourse analysis." It combines several critical strains

and relies on basic concepts from Freudian and Lacanian psychoanalysis, Adlerian psychology, and contemporary cognitive psychology for their discourse-analytical value rather than as entrees into psychoanalytical reading *per se*. The introductory ch
