Sommario/riassunto	Build on your staff's strengths for optimized leadership Best-selling author Sheryl G. Feinstein demonstrates how educational leaders can apply a popular business prototype of leadership strengths and the latest brain research to lead effectively. Her new book, co-authored by veteran administrator and instructional leader Robert W. Kiner, outlines four leadership styles-executer, relationship builder, influencer, and strategic thinker-and shows how to capitalize on them to: Create a positive school culture Mentor and supervise teachers Keep track of standardized testing Foster c
