Soggetti	Church history Christian civilization Christianity and culture
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	Many Christians believe that church history belongs in the past. Pastor Dayton Hartman disagrees. He argues that church history is not old news, but a tradition that brings depth and vitality to today's ministry. In Church History for Modern Ministry, Hartman explores the importance of church history and its relevance for addressing contemporary church issues. He discusses the impact of the early church fathers and the value of incorporating the creeds into weekly worship. Today's believers have much to gain from learning the history of the church. Their faithfulness, discipleship, and perseverance have built a strong foundation from which we can take the message of the gospel into the future.--Publisher description.
