Soggetti	Taxation Political Science Law, Politics & Government Public Finance
Lingua di pubblicazione	Russo
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Sommario/riassunto	Taxation is at the core of countries' sovereignty, but in recent years, multinational companies have avoided taxation in their home countries by pushing activities abroad to low or no tax jurisdictions. The G20 asked OECD to address this growing problem by creating this action plan to address base erosion and profit shifting. This plan identifies a series of domestic and international actions to address the problem and sets timelines for the implementation.
