| Livello bibliografico | Monografia |
| Note generali | Includes index. |
| Sommario/riassunto | Research Methods for Successful PhD is a candid conversation developed from the experience of supervising 30 research students and publishing 400 papers over 20 years. The book recognizes that every student is different and has unique circumstances. It teases out the fundamental questions that we forget to ask, the method of relating to the supervisor, discusses methods to improve communication skills and explains how to get the work published. |
