BERLIN IN NOVEMBER AND DECEMBER 1848; SELECT BIBLIOGRAPHY Sommario/riassunto Lewald (1811-1889), the best-selling German woman writer in the nineteenth century, proved akeen and perceptive observer of the social, artistic, and political life of her times, of which these Recollections offer an excellent example. Written from a woman's perspective, this firsthand account of the revolutions in both Germany and France must be considered a unique document. It is further enhanced by her detailed description of the Frankfurt Parliament and her relationships with many

of the prominent politicians and thinkers of that eventful period.
