Actively engaging students -- ch. 6. Managing misbehavior -- ch. 7. Providing individualized behavior support.
	Sommario/riassunto	This step-by-step guide enables teachers and school administrators to uncover five components of proactive classroom management that help improve student achievement and decrease classroom problems. It explores how to create clear expectations and rules, establish procedures and structure, reinforce expectations, actively engage students, and manage misbehavior as well as how to develop individualized behavior plans to help students who continue to struggle.
