Sommario/riassunto	This is an invaluable study guide and practice book for learning basic Japanese kanji. Learning Japanese Kanji Practice Book is intended for beginning students or experienced speakers who need to practice their written Japanese. Kanji are an essential part of the Japanese language and together with kana (hiragana and katakana) comprise written Japanese. This book presents the kanji characters that are most commonly used. All the kanji and related vocabulary words in this book are those that students are expected to know for Level 4 of the Japanese Language Proficiency Test (JLPT). Characters that appear in the AP Japanese Language and Culture Exam are flagged. Readings, meanings, and common compounds are presented. The correct method of writing each character is clearly indicated, and practice boxes with strokes that can be traced are provided, along with empty boxes for freehand writing practice. Lots of exercises are included to give students the opportunity to practice writing sentences containing the kanji. Indexes at the back allow you to look up the characters by their readings and English meanings. This kanji book includes: - Step-by-step stroke order diagrams for each character. - Special boxes with grid lines to practice writing characters. - Words and phrases using each kanji. - Romanizations (romanji) to help identify and pronounce

every word.
