Sommario/riassunto	The Singapore Lecture is designed to provide an opportunity for distinguished statesmen and leaders of thought and knowledge to reach a wider audience in Singapore. The presence of such eminent personalities allows Singaporeans, especially younger executives and decision-makers in both the public and private sectors, the benefit of exposure to leading world figures who address topics of international and regional interest. The 40th Singapore Lecture was delivered by His Excellency François Hollande, President of the French Republic, on 27 March 2017 under the distinguished Chairmanship of Mr Tharman Shanmugaratnam, Deputy Prime Minister and Coordinating Minister for Economic and Social Policies, Singapore.
