Cusack -- Psychosocial Motives and Beliefs / Carmen M. Cusack -- Recreation / Carmen M. Cusack -- Natives / Carmen M. Cusack -- Japan / Carmen M. Cusack -- Poison / Carmen M. Cusack -- Technology / Carmen M. Cusack -- Sharks / Carmen M. Cusack -- Seabirds / Carmen M. Cusack -- Conclusion / Carmen M. Cusack.
Sommario/riassunto	Fish, Justice, and Society is an in-depth look into the fishing industry, fish, and aquatic environments. This book delves past the façade of what may be known by the average fisherman, bringing to the surface new information about numerous species and aquatic habitats. It is the most comprehensive book on the subject of fish, law, and human behavior. It is a standalone work, but complements Cusack's Fish in the Bible (2017). It is a treatise on the subject of animal law while also

serving the common fisherman information on compliance issues.
