Sommario/riassunto

Largely concerned with Family Politics and Deception in northern North America and West-Central Africa, this book is intended mostly to provoke and enlighten. The book fossungupalogizes on whether or not northern North American courts are able to live up to the standard of exclusively saying exactly what the law is in regard of the apparent war between the mounting same-sex marriage legalization drive and the traditional Western religious conception of marriage as endorsed by America's 1996 Defense of Marriage Act. It also tackles some intriguingly troubling matters emanating from African cu
