

1. Record Nr.	UNINA9910797105103321
Autore	Cooley Dennis <1944->
Titolo	Abecedarium / / Dennis Cooley
Pubbl/distr/stampa	Alberta, Canada : , : The University of Alberta Press, , 2014 ©2014
ISBN	1-77212-033-2
Edizione	[First edition.]
Descrizione fisica	1 online resource (162 pages)
Collana	Robert Kroetsch Series
Disciplina	811.008
Soggetti	Canadian poetry
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Sommario/riassunto	would you believe me when i make consorts of alphabet runaways & stayathomes i have rounded up where they wandered all over the page Dennis Cooley masterfully extends the genre of the abecedary to explore his curiosity of the limitlessness of human communication. With linguistic wit and complexity, his poetry carries the reader through the historical developments of the alphabet. He pries open letters and words to play with both their immediate meaning and the possibilities within the words themselves, creating surprises as he explores spelling, sound, syntax, and pronunciation. After reading Cooley's abecedarium you'll never look at language the same way. Lovers of experimental poetry as well as those interested in linguistic play or the history of language will relish the rapid-fire shifts and musicality of Cooley's newest collection of poetry.
