[et al.] -- The village fund loan programme : who gets it, keeps it and loses it / Carmen Kislak and Lukas Menkhoff -- Participation in different regional non-farm wage activities : evidence from Thailand and Vietnam / Jurgen Brunjes ... [et al.].

Sommario/riassunto

With the current global crisis, high levels of volatility in trade, capital flows, commodity prices, aid, and the looming threat of climate change, this book brings together high-quality research and presents conceptual issues and empirical results to analyze the determinants of the vulnerability to poverty in developing countries.
