Nota di contenuto	Contents; Acknowledgments; Acronyms; Introduction; Background; Why Do Migrants Come to the United States Illegally?; What Prevents Migrants From Coming to the United States Illegally?; Policy Implications and Recommendations; Conclusion; Endnotes; About the Authors
Sommario/riassunto	The authors examine U.S. efforts to prevent illegal immigration to the United States. Although the United States has witnessed a sharp drop in illegal border crossings in the past decade alongside an enormous increase in government activities to prevent illegal immigration, there remains little understanding of the role enforcement has played. Better data and analyses to assist lawmakers in crafting more successful policies and to support administration officials in implementing these policies are long overdue.--Publisher.
