Sommario/riassunto	The International Journal of Emerging Markets already picked up the topic of ""China Goes Global"" in an e-book in 2014 (IJoEM vol 9, iss. 2, 2014). That e-book was the outcome of the best papers of the 6th and 7th China Goes Global conferences. The 2014 e-book dealt with institutional influences and public policy on Chinese multinationals, their integration in the world economy, changes in their organizational structures and globalization strategies. The e-book in hand is the successor of the 2014 volume. The articles are linked and refer to the latest theories, approaches and frameworks to a
