Sommario/riassunto	This book makes a significant contribution towards understanding the new class structures of post-industrial societies and the changing processes of social stratification and mobility. Drawing together comparative research on the dynamics of social stratification in a number of key western societies, the authors develop a framework for the analysis of post-industrial class formation. They illustrate the

significance of the relations between the welfare state and the household, and the critical interface between gender and class. Case studies of the USA, the UK, Canada, Germany, No

Sommario/riassunto	This is the first progressive book to argue that the BDS movement (boycott, divestment and sanctions) against Israel is the wrong way to broker peace in the Israeli-Palestinian conflict; rather, it argues that peace will come only when both Israelis' and Palestinians' legitimate claims to statehood are recognised - by both sides. The BDS movement (boycott, divestment, sanctions) against Israel has gained traction and publicity worldwide for a decade. Yet here, Philip Mendes and Nick Dyrenfurth - two politically progressive commentators - argue that BDS is far too blunt an instrument to use in su
