Sommario/riassunto

Direct Work with Family Groups is full of great ideas to aid engagement, assessment and enable positive change through direct work with family groups. Working with families can be a challenging experience. This book looks at the personal skills needed to engage families, both at home and in the community. It provides guidance on how to assess and manage the needs of individual family members, whilst also being mindful of potential risk factors. With easy to use activities and resources, this book will inspire you to think about creative new ways to plan and carry out your work. Based on tried
